13	Public Radio Service 10	Yes
14	Public Radio Service 11	Yes
15	Public Radio Service 12	Yes
16	Public Radio Service 13	Yes

What is the Public Radio Service (PRS)?

The Public Radio Service (PRS) is a set of free-to-use UHF channels available throughout New Zealand. These channels are open to anyone and do not require a licence. By selecting a PRS channel, you can communicate directly from radio to radio without needing any additional infrastructure or registration.
